

# Abundant Life Giving Society

Dear Friends of life,

The LORD be with you!

Thank you for your Gospel-motivated voice For Life. And thank you especially for your generous gifts in support of our message, mission, and ministry. Because your offerings exceeded \$1,000 in 2021, you have the distinction of recognition in our Abundant Life Giving Society. You stand among the leading advocates for the sanctity of life!

Your fellowship has helped inspire our 2022 theme, "God Chose You." And rejoice that God chose you for us and for this. Your offering is already at work serving neighbors endangered by the "my body, my choice" deception. Your investment is speaking truth that changes hearts and showing love that saves lives. Because of you, many are learning and believing that the choice we all need is not the choice we do but the choice we are. Because of your courage and your compassion, our Lord Jesus is reaching the culture with the Gospel of God's choice: **"You did not choose me, but I chose you"** (John 15:16). Communities across the country are hearing how every life is gift and privilege!

Future generations may remember this year as the year when *Roe v. Wade* fell. If so, your efforts proclaiming with us the grace of God in Jesus Christ and putting it into practice will have made it possible. Whatever the outcome, this work will need to continue reaching minds experiencing surprise pregnancy and touching souls suffering terminal diagnosis. Thank you so much for knowing and showing how only the Word of the Lord ultimately draws our neighbors away from using death as a solution and into our Savior's better way through difficulty to abundance.

We hope you'll join us for our national conference in October. (More information forthcoming!) God grant us the honor of extending our greetings and gratitude to you in person! May He strengthen you with faith and cheer until He unites us in His own presence.

In truth and love,

Rev. Michael W. Salemink
