HELPING EARTHQUAKE SURVIVORS IN TURKEY & SYRIA

More than 50,000 people were killed and tens of thousands are injured in Turkey and Syria as homes and other buildings were toppled by massive earthquakes on Feb. 6.

"Our Emergency Field Hospital is now open, and our medical team has already treated earthquake injuries like broken bones, wounds, and infections. People are suffering, and we are there to meet their physical needs in Jesus' Name. Please pray for everyone affected and for our Disaster Assistance Response Team as they meet these emergency needs." —Franklin Graham

International Emergency Relief

When natural disasters strike, such as the earthquakes in Turkey, Samaritan's Purse responds quickly to bring relief to people in urgent need. One way we help in disaster situations is by handing out "family survival kits" that include warm blankets, buckets with water filters, cooking utensils, soap, and other daily essentials. For just \$45, we can provide a lifeline to a family that has lost everything, to help them get back on their feet.

THANK YOU!
